We are looking for a class teacher at International School of Vantaa

The International School of Vantaa is a multicultural comprehensive school with around 680 students. The school provides English-language instruction for grades 1 - 9. The students' home language is English or they have acquired a good English proficiency by other means.

The students are admitted to the school based on a language test. The teachers employed at our school come from various nationalities. Our curricula are based on the National Core Curriculum for Basic Education. Our goal is to raise well-behaving students with versatile general knowledge who can function in English in a global environment.

The International School of Vantaa is looking for a class teacher.

The qualification requirements are higher university degree and class-teacher qualification (degree 986/1998). If the degree has been taken outside Finland, the applicant shall present an equivalent qualification approved by the Finnish National Board of Education.

We are looking for a teacher with good cooperation and communication skills and interest in further developing our school. We appreciate earlier teaching experience in a multicultural school, knowledge of the Finnish National Core Curriculum and enthusiasm for tackling new challenges.

We seek a teacher who:

- is responsible for creating a positive and inclusive learning environment where all students feel valued and supported.
- differentiates their teaching to cater to the diverse needs of the students, using a variety of instructional strategies and materials.
- uses variable assessment methods to evaluate student learning and provides ongoing feedback.
- is able to increase student ownership of their learning and fosters the sense of community among the students.
- has Finnish language proficiency

We offer you a global work community as well as interesting teaching and education tasks in a modern learning environment.

Interviews will be held from February 5 to February 24, 2026.
